AGL Fiber Panels

EOL Announcement: NAR/CALA

CommScope announces the End of Life of the following AGL fiber panels in the NAR and CALA regions. The [EPX fiber panels](#) are the suggested replacements.

- The replacement EPX fiber panels are listed below
- This EOL is effective October 31, 2022. No orders will be accepted after this date
- Any interim quotes for discontinued parts should plan to have product shipment completed by November 30, 2022
- Stock may run out of certain AGL panels prior to October 31. If that happens, the AGL Panel will be set to discontinued and the replacement will need to be ordered
